

PROPOSED ALLIED HEALTH ADDITION
SOUTH SUBURBAN COLLEGE

Proposed South Elevation

Proposed Allied Health Addition
South Suburban College
South Holland, IL

Total Building Area
25,000 sf

Proposed West Elevation

This 25,000 square foot facility will meet the expanding needs of the college and community. It will provide new space for all existing Allied Health programs such as nursing and LPN programs, Med-tech, massage therapy and child day-care studies.
